Motorola GP300 review Walkie talkie

October 7th, 2018 Here in Honduras I sell the Motorola GP300 as rebuilds for the merical two way radio business that I own I like how these units are built to be strong and can willingly take the abuse What I don't like about it is its lack of features for someone who uses a Ham radio I also am not a fan of the fact that you need to program these using software RIBLESS and on a puter If you are.

Motorola GP328 CPS R06 12 Programming Software – HamFiles

September 28th, 2018 HI i download the software for the GP 328 Motorola but it always gives me this message Couldn t open port Check whether Device RIB are powered on or not and the device to RIB and the RIB to PC connection is OK to be aware all is connect properly could you please advice why the software not working i am using windows 7 and USB RIB GP328 AZ By hepek68 posted February 9th 2016.
